Concert

The secret is out! We are very excited as we are ready to start with the preparations of our **concert** which will take place on the evenings of **8 – 10 and 15 – 17 October 2024**. Please diarize these dates as the learners will be performing on these evenings according to the cast they will be grouped in. Brothers and sisters will be grouped in the same cast. To assist us with the grouping of the casts and with the planning of costumes, we need to have a commitment from parents that the learners will be available on the evenings of the performances. We therefore request that parents please complete the reply slip and send it back to school not later than Tuesday, **13 February 2024**. Please keep the POPI Act in mind when enrolling your child for the concert.

All performers will need a costume for the characters they portray. To cover part of the costs for the production (costumes and décor), each participant will have to pay a production fee of R100. This production fee is payable not later than **30 April 2024** (via KarriApp).

If there are parents who can assist with donations or sponsorships of any kind i.e. for the purchase of material, make-up, the print of posters, please indicate it on the reply slip. The sale of tickets will take place as from **September 2024**. Information regarding the concert will be communicated on a regular basis.
